

UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 02-7160

UNITED STATES OF AMERICA,

Plaintiff - Appellee,

versus

BRANDON KEITH COLLIERS,

Defendant - Appellant.

Appeal from the United States District Court for the Northern District of West Virginia, at Wheeling. Frederick P. Stamp, Jr., District Judge. (CR-98-29, CA-01-1-5)

Submitted: November 7, 2002

Decided: November 14, 2002

Before WILKINS and LUTTIG, Circuit Judges, and HAMILTON, Senior Circuit Judge

Dismissed by unpublished per curiam opinion.

Brandon Keith Colliers, Appellant Pro Se. Robert H. McWilliams, Jr., Assistant United States Attorney, Wheeling, West Virginia, for Appellee.

Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Brandon Keith Colliers seeks to appeal the district court's order accepting the recommendation of the magistrate judge and denying relief on his motion filed under 28 U.S.C. § 2255 (2000). We have reviewed the record and conclude for the reasons stated by the district court that Colliers has not made a substantial showing of the denial of a constitutional right. See United States v. Colliers, Nos. CR-98-29; CA-01-1-5 (N.D.W. Va. July 5, 2002). Accordingly, we deny a certificate of appealability and dismiss the appeal. See 28 U.S.C. § 2253(c) (2000). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

DISMISSED
